

Important:

In compliance with the FTC guidelines, please assume the following about links and posts on this site:

A few links on drmarianerizkallah.com are affiliate links of which I receive a small commission from sales of certain items, but the price is the same for you.

If I post an affiliate link to a product, it is something that I personally use, support and would recommend even without an affiliate link.

At present, I do not allow ads on drmarianerizkallah.com, so clicking on any links in my sidebar or to posts within my site or to non-affiliate link external sites will not earn me commissions in any way.

My first priority is always providing valuable information and resources to help you create positive changes in your life, and I will only ever link to products or resources (affiliate or otherwise) that fit within this purpose.
